**DETAILED ACTION**

**SUPPLEMENTAL EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Add claim 26 as follows:

26. (new) A semiconductor device comprising:

a radiating plate;

a semiconductor chip bonded onto the radiating plate;

a rectangular-shaped resin wall which surrounds the semiconductor chip bonded to the radiating plate, said rectangular-shaped resin wall having a first pair of opposing sides and a second pair of opposing sides;

a conductive member extending through one of the first pair of opposing sides of the resin wall and retained by the resin wall, said conductive member is electrically connected to the semiconductor chip; and a resin lid bonded to an upper end of the resin wall, said semiconductor chip is sealed in a space enclosed by said radiating plate, said resin wall and said resin lid, said radiating plate extends outward of said second pair of opposing sides of said resin wall; and

wherein the surface of the radiating plate surrounded by the resin wall is surface-finished by silver plating, and the other surface of the radiating plate except the part for bonding the resin

wall and the inner lead part and outer lead part of the conductive member are surface finished by gold plating.

***Allowable Subject Matter***

Claims 1 and 26 are allowed.

The following is an examiner's statement of reasons for allowance: Claim 1 was amended and allowed in the allowance dated 6/2/08; however claim 17 was originally objected to as containing allowable subject matter and was erroneously canceled in the office action dated 6/2/08. This supplemental allowance and examiner's amendment adds claim 17 rewritten in independent form as claim 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
